Step 1 — V1 versus V2

⚠ Note! This video guide refers to the Bit Board Version 1. As of February 2023 we have begun shipping the Bit Board Version 2.

⚠ There are a few difference between V1 and V2. Unless you are specifically using the original Bit Board (V1) we recommend you start with the Bit Board V2 Setup and Use guide instead.

● (The V2 Bit Board is shown in the illustration.)

After viewing the Bit Board Setup and Use video you should have the basics to get up and running with your Bit Board and start building some amazing projects!
