INTRODUCTION

A 3D Printed LEGO Compatible mount for an MP3 Player Module.

🔧 TOOLS:

- 3D Printer (1)

Step 1 — Download and Print

- You can download the file and print it on your own 3D Printer.

- Find it in our GitHub repository: https://github.com/BrownDogGadgets/3D-Pr...

- This file will work with this MP3 Player Module.

Step 2 — Tips & Tricks

- The MP3 Player Module is placed into the holder by putting the bottom half into the bottom holder arms and then gently pressing the top into the top holding arms.

- **Note:** The MP3 Player Module can be flipped so the SD Card Holder is on the top or the bottom.
