

## **Black Cat**

Create a spooky black cat paper craft using conductive tape and LEDs.

## INTRODUCTION

Create this spooky black cat with glowing eyes using conductive tape and LEDs.

The Black Cat paper craft template requires a bit of printing and cutting before laying down conductive tape. Follow our directions to create this project or design your own (more friendly looking) cat!

DARTS:
<ul> <li>Paper Circuits Kit (1)</li> </ul>
<ul> <li>Maker Tape (1)</li> </ul>
