The cover of the "Light-Up Glasses Project eBook" features a bright yellow background with a black border. At the top, the title "Light-Up Glasses" is written in a large, bold, black font, with "Project eBook" in a smaller, bold, black font below it. The central part of the cover is a collage of five photographs showing different styles of light-up glasses: a pair with white frames and red lenses and bunny ears; a pair with brown frames and red lenses; a pair with green frames and green lenses decorated with a rainbow and flowers; a pair with brown frames and blue lenses with a "HAPPY BIRTHDAY!" banner; and a pair with silver frames and silver lenses. At the bottom of the cover is the "BROWNDOG Gadgets" logo, which includes a brown paw print icon, the text "BROWNDOG" in a bold, white, sans-serif font, "Gadgets" in a red, cursive script font, and the website "BrownDogGadgets.com" in a small, black, sans-serif font.

INTRODUCTION

The projects in this eBook can be created using our **Paper Circuits Kit** or our **Origami Circuits Kit**.

Follow the included instructions for your chosen project. You'll need your own paper, tape, glue, and scissors, as well as a safety pin or push pin to make holes in the paper for the LED legs.
